# "Riviera Line in the Fifties"

# (CG) Kingswear to Newton Abbot - evening service 60min

Get your loco ready and then take the 20:30 stopping service from Kingswear to Newton Abbot. The train is crowded with day trippers who have been enjoying the glorious weather on this July Saturday in 1946, the first summer of peace for several years. Get them to Newton Abbot on time for their connecting train.
All passenger services are from the Summer 1946 timetable.

**Payware required - All from DT (Digital Traction)**
